

Premise Assurance Model Solution

Reference Number: RDF1296-23

Date of Response: 07/03/2023

Further to your Freedom of Information Act request, please find the Trust's response(s) below:

- Which software solution is used to manage your Premise Assurance Model (if any) and who is your current supplier?

If so,

- What is the start date and duration of the contract?
- Is there an extension clause in the contract and, if so, what is the duration?
- Has a decision been made yet on whether the contract will be extended or renewed?
- What is the annual value of the contract?
- How was the contract procured, e.g., framework/tender?
- Who is the senior officer (outside of procurement) responsible for the contract?

The Trust is unable to answer the above questions as the information requested is not held by the Trust. The Trust does not use a software solution to manage our Premise Assurance Model.
