

Title

Hospital bed count

Reference Number: RDF1942-23

Date of Response: 01/11/2023

Further to your Freedom of Information Act request, please find the Trust's response(s) below:

Please be aware that the Royal Devon University Healthcare NHS Foundation Trust (Royal Devon) has existed since 1st April 2022 following the integration of the Northern Devon Healthcare NHS Trust (known as Northern Services) and the Royal Devon and Exeter NHS Foundation Trust (known as Eastern Services).

Please could you provide the following information: The number of beds at each hospital location within your organisation. I am referring to all beds across all sites operated by the trust.

As the request did not state the type of beds the values below are for funded Inpatient beds only, as we report nationally. Paediatric Inpatient beds have been included. Escalation beds may be used from time to time and numbers vary depending on demand. These have not been included in the figures below.

- Exmouth (community) – 16
- Sidmouth (community) – 25
- Tiverton (community) – 32
- Royal Devon and Exeter Hospital (Wonford – Acute) - 731
- North Devon District Hospital (Barnstaple - Acute) - 294
- South Molton Hospital (North Devon - Acute) – 20 beds
