

DPIA Reference	
DPIA Title	Qualtrics System Information - system level and access only
<p>Summary of Proposal</p> <p>This is provided to Information Governance Steering Group and Satefy and Risk as an overview of the project. It is also published on the website and should provide the public with an understanding of the information asset and how data is protected as a standalone statement.</p>	<p>This DPIA is to cover the whole system security element of the qualtrics system which is a web based survey tool (no installs or plug-ins required). For further information of what type of information will be recorded and the data obtained on the system please review separate DPIAs for data sets.</p>
