

DPIA Reference	DPIA1322
DPIA Title	Point of Care Ultrasound - Butterfly
Summary of Proposal This is provided to Information Governance Steering Group and Safety and Risk as an overview of the project. It is also published on the website and should provide the public with an understanding of the information asset and how data is protected as a standalone statement.	Butterfly Pocus DPIA already approved for use. This Project will provide a generic device integration means as well as process to upload images to PACS and reports to EPIC. Ultrasound devices included in this project are Butterfly devices and non-Butterfly devices (GE and Sonosite)
Date Ratified	27 March 2023
