FREEDOM OF INFORMATION REQUEST

To Royal Devon University Healthcare NHS Foundation Trust (Royal Devon),

Please can you supply me with the following information:

1. Registration number:

Answer: The Royal Devon University Healthcare NHS Foundation Trust cannot provide the requested detail under section 31(3) of the FOIA. Section 31(3) of the Freedom of Information Act allows a public authority to neither confirm nor deny whether it holds information where such confirmation would be likely to prejudice any of the matters outlined in section 31(1). This includes information the disclosure of which would or would be likely to prejudice the prevention or detection of crime. Section 31(3) is subject to a public interest test for determining whether the public interest lies in confirming if the information is held or not.

Factors in favour of confirming or denying the information is held. The Trust considers that to release the requested information would reveal details that could assist in a cyber-attack. However, the Trust recognises that answering the request would promote openness and transparency with regards to the Trust's IT security.

In this context, the Trust considers that providing the requested information would also provide information about the Trust's information systems and its resilience to cyber-attacks. There is a very strong public interest in preventing the Trust's information systems from being subject to cyber-attacks. Releasing the type of information requested would be likely to prejudice the prevention of cybercrime, and this is not in the public interest.
