# THE LIBRARY @ NDHT

**The lucky recipient of the festive Hamper was Abby! Thank you to everyone who entered the Festive Quiz in December-We really enjoyed reading your answers!**

**Thank you for your responses to our library Survey. Here is some of the feedback you sent us:**

“ I have had such wonderful experiences with the library and all its staff. I find them up to date in the digital world, innovative and endlessly helpful. ”

“ The library helped me improve my searching skills which in turn helped me access evidence to inform practice ”

“ I am so grateful to the library service that we have at NDDH. They are efficient and helpful. ”

“ The staff are always SUPER helpful, and always respond to requests in a timely manner. ”

“ I really value the support the library has given me and continues to give. ”

“ I hear so many good reviews about the Library from my colleagues all working on dissertations etc. It gives the patient safety team more time to do our roles alongside educating ourselves. ”

Don't forget you can keep up to date with the library by following us on social media! We are now on Facebook & Instagram as well as Twitter.

SHOW THE LIBRARY SOME LOVE  
THIS MONTH!

Why not send the Knowledge and  
Library services some love this  
February?

You can send us some love via our  
form [HERE](#).

Can you help us boost our  
leisure Library stock by donating  
excellent quality paperbacks?  
Please hand items to a member  
of staff.

Thank you!

## LGBT+ HISTORY MONTH 2022

### Other resources

This programme provides health and social care staff with an introduction to the Sexual Orientation Monitoring Information Standard. The programme sets out why the Standard was introduced in adult health and social care services, explains some of the health inequalities experienced by lesbian, gay and bisexual (LGB) communities and explores the benefits of monitoring.

## RECOMMENDED READS

Send us an email to [order-ndht.library@nhs.net](mailto:order-ndht.library@nhs.net) or fill out the [Book Request form](#) via the website

### The Midnight Library by Matt Haig

Between life and death there is a library, and within that library, the shelves go on forever. Every book provides a chance to try another life you could have lived. To see how things would be if you had made other choices . . . Would you have done anything different, if you had the chance to undo your regrets? The touching, funny and heartwarming new novel from the Sunday Times bestselling author of *How to Stop Time* and *Reasons to Stay Alive*.

### Unwell women : a journey through medicine and myth in a man-made world by Elinor Cleghorn

Packed with character studies of women who have suffered, challenged and rewritten medical orthodoxy - and drawing on her own experience of undiagnosed Lupus disease - this is a ground-breaking and timely exposé of the medical world and woman's place within it.

### Vaxxers : the inside story of the Oxford vaccine and the race against the virus by Prof. Sarah Gilbert & Dr. Catherine Green

THE SUNDAY TIMES BESTSELLER AND RADIO 4 BOOK OF THE WEEK \*Chosen as a Book of the Year by the Financial Times , Sunday Times , Daily Mail , Prospect , Guardian and The Times\*

This is the story of a race - not against other vaccines or other scientists, but against a deadly and devastating virus.

In *Vaxxers* , we hear directly from Professor Gilbert and her colleague Dr Catherine Green as they reveal the inside story of making the Oxford AstraZeneca vaccine and the cutting-edge science and sheer hard work behind it.

Sarah and Cath share the heart-stopping moments in the eye of the storm; they separate fact from fiction; they explain how they made a highly effective vaccine in record time with the eyes of the world watching; and they give us hope for the future.

**time to talk day**  
**03/02/22**  
mind Rethink Mental illness.

Find out more about Time to Talk Day [HERE](#)

## Tips for getting the conversation started

**Don't try and fix it**  
Often just listening is enough

**Keep it simple**  
Chat over a cuppa, send a text or go for a walk

However you do it, start a conversation about mental health

**Ask questions and listen**  
Show you want to know how someone is really doing

**You don't have to be an expert**  
Just being there means a lot
