### Royal Devon's Eastern FOI Office Response

I have identified a potential call-off contract awarded by the Royal Devon & Exeter NHS Foundation Trust, but I can't find details of the framework agreement it was awarded from.

The last two columns ("Title of framework used" and "Contracts Finder or TED link of framework agreement") is where I am missing information - please could you fill these in.

Therefore I would kindly ask you to specify in this instance what kind of procurement was used in the "Title of framework used" column.
