Royal Devon's Eastern FOI Office Response

- 1) Please could you state the number of structural maintenance issues at hospitals in your trust that are currently outstanding as of the date of this request (29/09/22). Please state the section of the hospital the issue was recorded in (e.g. oncology, radiology) using the categorisation system in your maintenance database.

There are no known structural maintenance issues outstanding as of 29/09/2022

- 2) Please could you provide a copy of any images held (preferably in .jpeg format) and videos (preferably in .mov format) of the outstanding maintenance issues, such as leaking walls, collapsed ceilings, or temporary structural supports holding up roofs, and the date they were taken.

Please see response to question 1.
