Royal Devon's Eastern FOI Office Response

Please could you provide me with the data for the number of patients treated under the following ICD10 codes for each year for the past 5 years? I would like to know even if the answer is zero.

I would like the data for the diagnosis of the ICD codes, not treatments please. This can be primary or secondary inpatient or outpatient.

Please note, the figures reported are based on the number of patients with the specified diagnosis. e.g. if a patient has, for example, 10 attendances in year2020 with the same diagnosis, it is counted as 1.
