- 1. I would like to clarify one figure - and ask for the total number of staff off sick for 2020 and 2021 combined please?*

Answer: 3,321 (Northern Services), 8,139 (Eastern Services). The data is based on any member of staff, current or leaver within the two year period, having an episode of absence. Employees have only been counted once regardless of the number of episodes of absence.
