Royal Devon University Healthcare NHS Foundation Trust

SACT Cancer report - updates

Reference Number: RDF2048-23
Date of Response: 02/01/24

Further to your Freedom of Information Act request, please find the Trust's response(s) below:

Please be aware that the Royal Devon University Healthcare NHS Foundation Trust (Royal Devon) has existed since 1st April 2022 following the integration of the Northern Devon Healthcare NHS Trust (known as Northern Services) and the Royal Devon and Exeter NHS Foundation Trust (known as Eastern Services).

I am conducting analysis on the usage of medicines in secondary care and kindly request your help.
I would be grateful if you could send me one dataset from your Trust, to inform this analysis:
SACT Cancer report – updates - Date period (December 2022 to the most recent month data is available). Please include the following data fie ds:

Organisation code (code of provider)
Primary diagnosis (ICD-10 3rd or 4th digit)
Morphology (ICD-O)
TNM stage
Adjunctive therapy type
Regimen treatment intent
Drug regimen
Drug regimen acronym
Clinical trial indicator
Drug name
Actual dose
Unit of measure
Route of administration
Cycle number
Number of planned cycles
SACT administration date
Organisation identifier (of SACT administration)

Answer: Please see .csv file attached that contains a refresh of the SACT (Systemic Anti-Cancer Therapy) report. This file runs from 01/12/2022 to our latest available data of 31/08/2023 and contains SACT data for both Eastern and Northern Services.

Please note: Each row is for every instance of administered drug and all accompanying columns relate to this instance instead of patients themselves. No patient identifiable data is included in this report.

Definitions for each of the columns are as stated in the NHS data dictionary.

Adjunctive Therapy Type:
https://www.datadictionary.nhs.uk/attributes/adjunctive_therapy_type.html

Intent of Treatment:
https://www.datadictionary.nhs.uk/data_elements/systemic_anti-cancer_therapy_drug_regimen_treatment_intent.html

Clinical Trial:
https://www.datadictionary.nhs.uk/data_elements/clinical_trial_indicator.html

SACT Administration Route:
https://www.datadictionary.nhs.uk/attributes/systemic_anti-cancer_therapy_drug_route_of_administration.html
