

Non-Elective Patients

Reference Number: RDF1452-23

Date of Response: 17/05/2023

Further to your Freedom of Information Act request, please find the Trust's response(s) below:

Please be aware that the Royal Devon University Healthcare NHS Foundation Trust (Royal Devon) has existed since 1st April 2022 following the integration of the Northern Devon Healthcare NHS Trust (known as Northern Services) and the Royal Devon and Exeter NHS Foundation Trust (known as Eastern Services).

Please provide me with data for the year 2022-23 for the following information by Hospital site for the trust (ideally expressed as a tally by hour for each):

Please provide the information in the template attached

- The total number of non-elective admissions by hour of day and number of discharges from inpatient wards by hour of day that non-elective patients are discharged
- The total number of non-elective inpatients sent to the discharge lounge by hr of day & hour of day patients leave the discharge lounge (if applicable)
- Time of day that Pathology requests for non-elective patients are sent & time of day requests for imaging are received
- Time of day that requests for prescriptions are sent to Pharmacy and time that Pharmacy deliver prescriptions to NEL inpatients
- Time of day that inpatient requests are completed

Clarifications -

. By prescriptions - I was seeking to receive information about the time that inpatient prescriptions are ordered.

Data relating to the time discharge supply requests get sent / submitted to Pharmacy - yes please

Q 4 - Time of day that inpatient requests are completed - this is the time of day when the patient is discharged from Hospital. NEL means non-elective inpatients or unplanned inpatients, as opposed to elective or planned inpatients.

TIME EDN completed.

This is the 'electronic discharge summary letter' or 'electronic discharge notification' that is sent from the Hospital clinical team to the GP in Primary Care and is a standard requirement before any patient is discharged in the majority of Hospitals Trusts. I am keen to understand the time by hour of day that this is completed for patients.

Please see Trust response attached.

Below is a summary of what the Trust has been able to provide;

- NEL admissions/discharges for 22/23 – there are 2 tabs, red tab containing acute & community and green tab containing just acute.
- Discharge lounge – this contains Eastern data from April to March and Northern data from July to March
- Imaging– contains Eastern and Northern., we do not have the ‘requested time,’ so in a bid to assist under section 16 of the FOI Act , we have just included ‘Total’ by day.
- Imaging–. We do not have the ‘requested time,’ so in a bid to assist under section 16 of the FOI Act, have just included ‘Total’ by day.
- Time EDN – The attached spreadsheet contains the EDN numbers along with all the other numbers we could provide within the FOI 18 hours.. We have also checked a sample of discharges where we are not seeing a discharge letter and there is no record of the EDN.

The following the Trust are not able to supply data for:

The Trust issue a refusal notice under Section 17 of the Freedom of information Act for the requested information on the following:

- Pathology data –
- Pharmacy data -

By doing so the Trust applies the following Exemption:

Section 12 (1) – Time/Cost (over 18hrs work)

- Pathology data –

The Trust has considered your request, however to provide you with the information requested we would need to write a new SQL script to pull this data, this would then need to be tested and output verified by the labs team, this would take at least 2 days and potentially longer. To carry out this work would exceed the appropriate cost limit as set out in Section 12 (1) of the Freedom of Information Act 2000 and is therefore exempt.

Under the Freedom of Information Act 2000 Section 12 (1) and defined in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004, a public authority is not obliged to comply with a request for information if it estimates that the cost of complying would exceed the appropriate limit. The limit of £450 represents the estimated cost of one person spending two and a half days in determining whether the Trust holds the information, locating, retrieving and extracting that information.

- Pharmacy data -

The Trust has considered your request, however to provide you with the information requested Pharmacy would need to write a new SQL script to pull this data, this would then need to be tested and output verified by the Pharmacy team, this would take at least 2 days and potentially longer. To carry out this work would exceed the appropriate cost limit as set out in Section 12 (1) of the Freedom of Information Act 2000 and is therefore exempt.

Under the Freedom of Information Act 2000 Section 12 (1) and defined in the Freedom of Information and Data Protection (Appropriate Limit and Fees) Regulations 2004, a public authority is not obliged to comply with a request for information if it estimates that the cost of complying would exceed the appropriate limit. The limit of £450 represents the estimated cost of one person spending two and a half days in determining whether the Trust holds the information, locating, retrieving and extracting that information.
