

The logo for the Extraordinary People Awards. It features a stylized human figure in purple and pink on the left. To the right, the word 'Extraordinary' is written in a large, bold, gold font, with a gold star replacing the letter 'o'. Below this, the word 'People' is written in a similar gold font. At the bottom, the word 'Awards' is written in a bold, gold font. The entire text is set against a white background with horizontal dotted lines above and below the main text. The background of the entire page is a white fabric with scattered gold stars.

Be part of celebrating your
extraordinary NHS staff

About us

We provide health and social care services across much of Devon, covering more than 2,000 square miles of the county. Our mission is to help people stay healthy, and to care for them expertly and compassionately when they are not.

We deliver care to a core population of 615,000 people through the Royal Devon and Exeter Hospital, North Devon District Hospital, in community settings, and in people's homes.

We employ more than 15,000 staff, which makes us the largest employer in Devon.

In a year, we see 170,000 people in our emergency and urgent care departments, and care for 185,000 inpatients and more than 1 million outpatients. We support 60,000 patients in their homes and welcome nearly 5,000 babies into the world.

This is only possible thanks to our amazing NHS staff and volunteers, and the support of our communities.

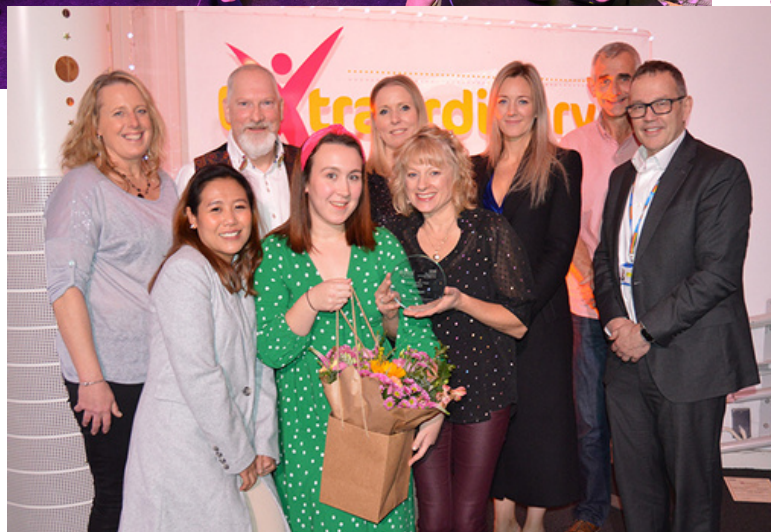

Our Extraordinary People Awards

Our Extraordinary People Awards are the highlight of our year.

Through the Awards we aim to recognise and celebrate the efforts and achievements of our staff and volunteers. It's all part of our ambition to be a great place to work - the kind of place that has the best people delivering the best patient care.

Over the past year our staff have focused on giving the best care to patients across Devon. We've particularly focused on reducing our waiting lists so we are giving patients timely care. We've embraced new innovations and our staff have worked in different ways, so that we can provide care closer to people's homes and give them access to the latest research and technology.

Our staff have worked incredibly hard, and we think they deserve a special thank you.

By becoming one of our sponsors you will be supporting the amazing work our people do each and every day and show your appreciation and thanks for the NHS
