

DPIA Reference	<i>DPIA1217</i>
DPIA Title	Sage 50 + CIM 50
Summary of Proposal <p>This is provided to Information Governance Steering Group and Safety and Risk as an overview of the project. It is also published on the website and should provide the public with an understanding of the information asset and how data is protected as a standalone statement.</p>	<p>Installation of Sage 50 + CIM 50 software. This software will replace the EDS Pharmacy stock control/ sales system currently used by Exeter Pharmaceutical Services (EPS). (IA0026) This replacement stock control/ sales system is required for the continuation of the EPS service. 10 licences for use of SAGE (this will mostly be the financial department/cash management to pay suppliers). 5 licences for CIM for pharmaceutical staff - processing orders and issuing stock). Sales and stock control system. Improves the auditing and traceability.</p>
