

DPIA Reference	DPIA1287
DPIA Title	Glasscubes
Summary of Proposal This is provided to Information Governance Steering Group and Safety and Risk as an overview of the project. It is also published on the website and should provide the public with an understanding of the information asset and how data is protected as a standalone statement.	This DPIA records the process for the transfer of subject access request work from Royal Devon to the Data Protection Advisory Service (DPAS) who have been asked to outsource complex subject access requests. Glasscubes is the secure file transfer system used to transfer data between Royal Devon and DPAS
